# Out and about With your students?

Our new **n**etwork Class Pass takes you all out on your school trips around the West Midlands area.

**30 students** and **6 adults** get **unlimited travel** on any of our **bus, Metro** and **rail** services from 9am to use for the rest of the day for just **£60**.

## Cheaper

**Class Pass** – Much cheaper and more flexible than hiring coaches: the ticket comes as 3 scratch off cards covering travel for **10 children** and **2 adults** each, so groups within the class can travel separately if they need to. The scratch off design also means the cards can be saved and used on a separate day.

## Better

**Class Pass** - There is no better way to get our young people out and about on the local public transport network than with their friends and classmates.

## Value

**Class Pass** – purchasing the ticket includes the journey planning services of the Centro Education Team. A bespoke plan of your journey will be provided to you and we will ensure that the operator has enough room on the rail, bus or Metro services that you wish to use for your trip.

For more information on how to purchase the new **n**etwork Class Pass please contact the **Centro Education Team** on [education@centro.org.uk](mailto:education@centro.org.uk) or phone on **0121 214 7614**.

Details on Terms and Conditions of the **n**etwork Class Pass are available at: [networkwestmidlands.com/classpass](http://networkwestmidlands.com/classpass)
