

## Year 5 'Design a comic book story' competition

### Develop your pupils' creative writing and drawing skills

Inspire your Year 5 pupils to get creative, by entering them into our exciting new '**design a comic book story**' competition. We are inviting Year 5 pupils to design and write their own comic book story, to be published on our interactive, educational travel website – [www.letzgogreen.org](http://www.letzgogreen.org).

Their challenge is to create and draw their own story on the theme of a holiday or weekend break, based on the format and illustrations of the comic book stories on the [www.letzgogreen.org](http://www.letzgogreen.org) website (Key Stage 2 section).

To help your pupils get started, we've enclosed some story guidelines and rules, as well as a template storyboard for them to write and draw their story onto. These sheets can be photocopied for each pupil in your Year 5 class/classes. The winning story/design will be made into an online comic book story on the Key Stage 2 section of [www.letzgogreen.org](http://www.letzgogreen.org) website. This is an amazing opportunity for your pupils to practice key skills of writing and design and to have their work published online.

The deadline for the competition is 5th March 2010 and the winner will be notified by 12th March 2010. Please send all completed comic strips to:- Rachel Hooper/Helen Osborn, Sustainable Travel Team, Centro, 16 Summer Lane, Birmingham, B19 3SD.

We hope that your pupils enjoy the competition. If you have any queries please do not hesitate to contact us on **0121 214 7409** or email [travelwiseschools@centro.org.uk](mailto:travelwiseschools@centro.org.uk)

Kind regards,

*H. Osborn Rachel Hooper*
