Letzgogreen Resources

Letzgogreen.org is a website aimed at primary schools to encourage use of sustainable travel. Resources are linked to the curriculum to integrate into teaching across many subjects.

The grid below shows the suggested level of each resource section by age and Key Stage.

Section title	KS1				KS2				Description
	Suggested for age								
	4	5	6	7	8	9	10	11	
Travel Time	●	●	●	●					Travel Time is a collection of stories and interactive games. It is designed as a cross-curricular resource which is both educational and fun.
Travel Spotters				●	●	●	●	●	Travel Spotters is a selection of comic strips and activities directed at Years 5 and 6. A cross-curricular resource exploring the benefits of sustainable transport.
Transport Timeline						●	●	●	Transport Timeline is an interactive history resource aimed at 9 to 11 year olds. Pupils learn about the history of transport and complete the section with a quiz.
Phoebe Animations				●	●	●			The Phoebe Animations are a set of short videos about travel around the world and how thinking about the way we travel can be beneficial to the environment.
Competitions	●	●	●	●	●	●	●	●	Competitions for both KS1 and KS2 pupils are run regularly.
LGGtv	●	●	●	●	●	●	●	●	LGGtv is home to a selection of cross-curricular videos about travel and transport for pupils of all ages.
